Cadillac Motor Division
Attn: Ed Peper, General Sales Manager
P.O. Box 33169
Detroit, MI 48232

Dear Mr. Peper:

I am writing on behalf of the members of the Shenandoah Region of the Antique Auto Club of America regarding the Cadillac franchise with Jim Stutzman here in Winchester, VA.

Our club has been in existence for over 50 years and the Jim Stutzman dealership has been a staunch supporter of our club's activities and most every other community organization for over 30 years.

We know you want top quality dealers who will continue to represent your Cadillac franchise properly. You have that dealer in Jim Stutzman! He has been a loyal and successful dealer for your product for many years and to take this franchise away from him would not only hurt his business but also affect the customers who have been loyal to Cadillac for many years.

Community involvement and financial support, professional sales staff and service, complete up-to-date and extremely clean facility is what keeps the customers coming back

We hope you will allow Jim Stutzman to continue to be our Cadillac dealer in Winchester.

Very truly yours,

Curt Mason. President
