President's Column

Well here we are in September already — where did our summer go?

I hope we all had fun with friends and cars and trips...

Beth and I traveled some, and tried to have a toy with us everywhere we went. We took our Cabrio convertible to the beach in North Carolina and **enjoyed the sunny weather....**

Curt I see the future for you and Susette...

Traveling with the old cars is fun, and you seem to meet a lot of people talking about cars.

Well, let's look forward to fun to come. The Poor man's Tour, planned by our friends in the Cumberland Region for October 21 and 22 is in our backyard, and looks like lots of fun this year... Look and ask about more details, and plan on a great weekend.

The fall festivals are lots of fun to look forward to as well. Several are welcoming to cars and giving awards for coming.

I hope everyone is traveling well, having fun with friends and cars and trucks, and enjoying the hobby that makes us smile....

Happy Motoring,

Bill Carl

President, SRAACA

Going Back in Time

Jim Stup was sharing his story as he talked about approaching 50 years in SRAACA. If my memory is correct he had a 1942?? Pontiac and one of **the club founders said "that's not an antique, that's a used car". And of course it didn't have "The BIG STEERING Wheel".**

This story reminds me that club **members tend to "go back in time"** with many of their old car purchases. Cars our family owned, or our first car, etc.

(See Time on page 8.)

General Meeting

September 7 @ 7:00 pm

Location: Antique Car Shelter,
Jim Barnett Park
Host: Mark Dinsmore & Barry Smith

This is a "potluck" meeting. The Club will provide the meat entrée. Bring a covered dish —appetizer, salad, vegetable side, dessert — to share. Bring your own dinner plate, tableware, **tablecloth, and beverage. Don't forget the serving spoons! Drive your old cars – it will still be daylight at the end of the meeting. See you there!**

September Club Meetings

The General Meeting is set for September 7 at 7:00 p.m. at the club shelter in Jim Barnett Park, Winchester.

Board of Directors meeting is September 21 at 7:00 pm, 0-60 Energy Café. Delco Plaza.

Sunshine Report

- ◆ A get-well card was sent to Ed Carden, who is recovering from surgery.
- ◆ We also will keep Rocky Fera and Mary Lou Rissler and their families in our thoughts and prayers as they work through health issues.

Member News

- ◆ We miss my mom, Frances Adams Unger, so much. She was a wonderful mother and now we are having the bitter-sweet "joy" of going through her treasures. There will be an auction on September 2 at the Frederick County Fairgrounds. She had many unique items and things that the antique car club friends might enjoy adding to their treasures. Please come and enjoy the day with us.
- ◆ The Region extends its deepest sympathy to Peter Ford on the passing of his wife Donna on August 7. Please keep Peter and his family in your thoughts and prayers during this sad time.

Poor Man's Tour

Details are out on the 45th **Annual Poor Man's Tour**. The flyer can be found on page 4 of this newsletter.

This year's tour is on October 21 and 22 will straddle the Potomac River going from Charles Town, WV over to Frederick, MD for the night and then back to Berkeley Springs, WV.

The tour includes three private collections, one ferry boat ride, one brewery tour, some shopping, and of course good old fashioned car club fun, and more!

This event is a joint event with the Shenandoah Region and the Queen City Region, guest and friends are always welcome!

National Association dues to increase in 2018

AACA National Headquarters has notified the Regions that national dues will be increasing for 2018.

This change was voted on at the 2017 AACA National Board Meeting in Independence, MO.

National dues have remained at \$35 since 2008. Your Board of Directors have resisted dues increases.

However, overhead continues to mount and ambitious plans for the future necessitates a minimal increase for 2018 to \$40.

It is the goal of AACA to continue to deliver the greatest service, the most benefits and the highest quality magazine to its members while being very cognizant of the need to keep dues increases to a minimum.

Note from Region Secretary Linda: Watch for your AACA dues renewal notice. It will be on the mailer page (where

your name/address are printed) starting with your September-October 2017 National magazine.

Do You Have a New Email Address?

Some of the emails that Secretary Linda sends out to remind members of upcoming events and other news have been returned due to "invalid" or "expired" email addresses.

If yours has changed, and you wonder why you have not heard from us, please let Linda know your new address so you don't miss out!

Send an email to shenandoahregion@gmail.com with the subject "New Email" so you stay in the loop! Thanks!

RESTORATION TIPS with Bob Engle

One of the vexing problems with old cars is rusty gas tanks. Sending them out for restoration is expensive. Attempts with the chemicals is often a failure, primarily because all rust is not removed before coating the tanks. The web site below shows a practical rust removal method. This process can be used on any iron or steel parts. <http://www.secondchancegarage.com/public4/gas-tank-cleaning-1.cfm>

Restoring an old car? Cars in the teens and early 20's had lots of square head nuts and bolts.

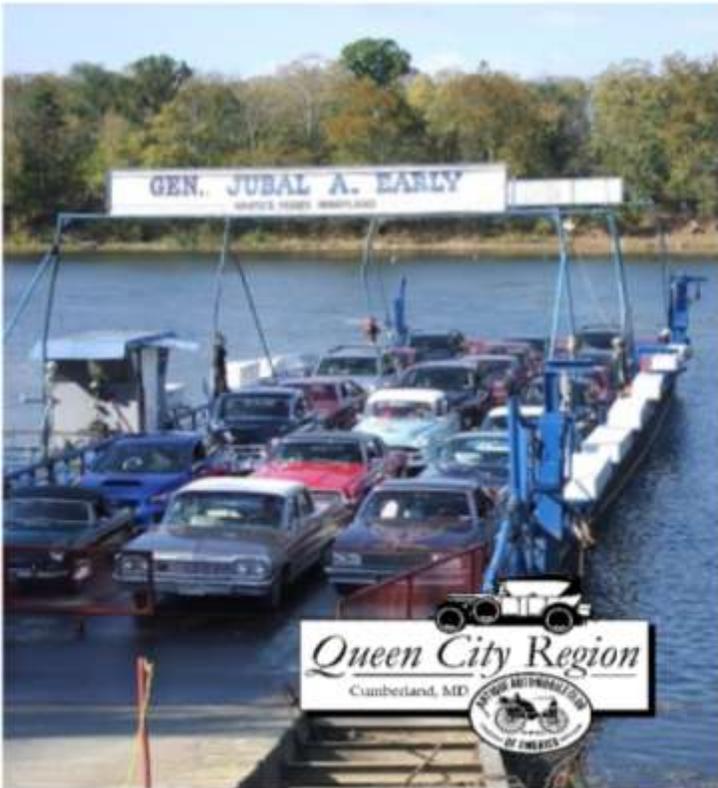

Modern square head bolts are not the same. This web site has the correct stuff.

45TH ANNUAL

POOR MAN'S TOUR

OCTOBER 21ST & 22ND

Join us for a scenic October drive through northern Virginia and Central Maryland. The two regions will meet in Charles Town, WV and head off to a private collection tour of 1950s autos. From there we will cross the Potomac River via White's Ferry, dating back to 1817 it is the only ferry across the Potomac. After lunch we will stop at a barn craft/antique tag sale and then end at the Flying Dog Brewery with a tour and sampling.

Sunday we will head back west after spending the night in Frederick, MD. Our first stop for the day will be the 1st monument built dedicated to

George Washington, built in 1827 this 30 ft. stone tower gives great views of the area. From there we will continue to a private collection of early fords and then to lunch in Hancock. Our last stop of the tour will be a private model railroad exhibit in Berkeley Springs, WV.

Time

from page 1

After retiring, my first car purchase was a 1953 Chevrolet (the first car my wife Josie owned). **So it's not surprising** when we see our new club members proudly talk about their 1992 antique.

As many of us know, this old car hobby is addicting and we **continue to "go back in time"** for other cars of interest. Often, we

become enamored with a particular brand of vehicle. Barry and Mark like Pontiacs. **I'm** hooked on Buicks. We also seek out vehicles from earlier generations. My 1987 Buick GN, 1970 Buick GS, 1960 Buick Invicta, my first and forever project car 1932 Buick Victoria coupe, and my most recent purchase, a 1917 Buick D45 Touring car. So now I **have my "Big Steering wheel"**.

I enjoy sharing my interest

CORN ROAST WITH SRAACA & QUEEN CITY

We had about 40 Shenandoah and Queen City members at the annual Corn Roast. I counted 15 Antique cars in the lot. Barry Smith, Mark Dinsmore and Kevin Malony were the Master Grillers. We had a great time meeting old friends and getting up to date on our cars, shows, tours and cruises. **It's amazing how active** our members are in this old car hobby. Everyone was eating and sharing stories about cars and friends. For those not in attendance, you missed a great opportunity drive your car and share in an afternoon of food and fellowship. **Next year we'll head** to the Queen City Corn Roast.

in old cars and most of our members do. **"The Split Rim"** newsletter is an excellent medium to share our stories.

It seems like I am the only one publishing my Buick stories. So my challenge is to all the members to share their love of the old car hobby by writing an **article for the "Split Rim"**. Just send it to me and I will see that it gets in the next edition.

Let share our cars with others as we **"Go Back In Time"** together.
